### National Final

**N1.** The national final will be a complete round robin. Each match will consist of six boards, with every match in each round playing the same boards. The winner of each match will be decided on IMPs converted to VPs as per W.B.F. scale.

**N2.** Each team must nominate a captain for the weekend – the captaincy may differ from nominated captains in the qualifying round(s). The captain must play at least three (3) matches with each member of his/her team. No partnership may play more than seven (7) matches together. Partnerships may only be changed after the completion of each match. A substitute, apart from the Tournament Director, is regarded as an extra team member.

**N3.** The home team in each round has been drawn by the Tournament Director. The captain of the away team will place his/her team members first. (ie in the event of a team wishing to exercise seating rights the home team seats second)

**National Final**

- N1.** The national final will be a complete round robin. Each match will consist of six boards, with every match in each round playing the same boards. The winner of each match will be decided on IMPs converted to VPs as per W.B.F. scale.
- N2.** Each team must nominate a captain for the weekend – the captaincy may differ from nominated captains in the qualifying round(s). The captain must play at least three (3) matches with each member of his/her team. No partnership may play more than seven (7) matches together. Partnerships may only be changed after the completion of each match. A substitute, apart from the Tournament Director, is regarded as an extra team member.
- N3.** The home team in each round has been drawn by the Tournament Director. The captain of the away team will place his/her team members first. (ie in the event of a team wishing to exercise seating rights the home team seats second)
