Undo's :-

Please note that Undo's can be requested for genuine misclicks (but not for a change of mind purposes) and opponents are encouraged to accept them.

Remember also, that in your settings, you can always set up your profile so that it asks you to confirm all your bids, or confirm all your cards or confirm both. While it does slow your actions down a little bit, it certainly will prevent you misclicking bids or cards.

How to Register :-

Registering for teams is slightly different to pairs and there are two possibilities as follows :-

a) **One of your team members must log on using the old flash version.**

This is a link to the flash version: <https://www.bridgebase.com/client/client.php>

Please note this option is not available on mobile devices or ipads.

- 1) Make sure all four members are logged onto BBO
- 2) Ask your team mates to register as a pair for the event
- 3) Now the user who is using flash invites his own partner to play
- 4) Now the user using flash invites the team mates to join the team
- 5) Your team will now be registered

b) If you do not have access to the flash version you can still register as follows :-

- 1) Make sure all four members are logged into BBO
- 2) Ask your team mates to register as a pair for the event
- 3) Make sure the other three members of your team are online and then ring Fearghal 086-2652871 or Mairéad 087-9274448 and give us your BBO Username and Password and we will then log in as you
- 4) We will then invite your partner and team mates to form a team
- 5) You then log back in as yourself and you are registered. Job Done.
